Burj Nahar Mall

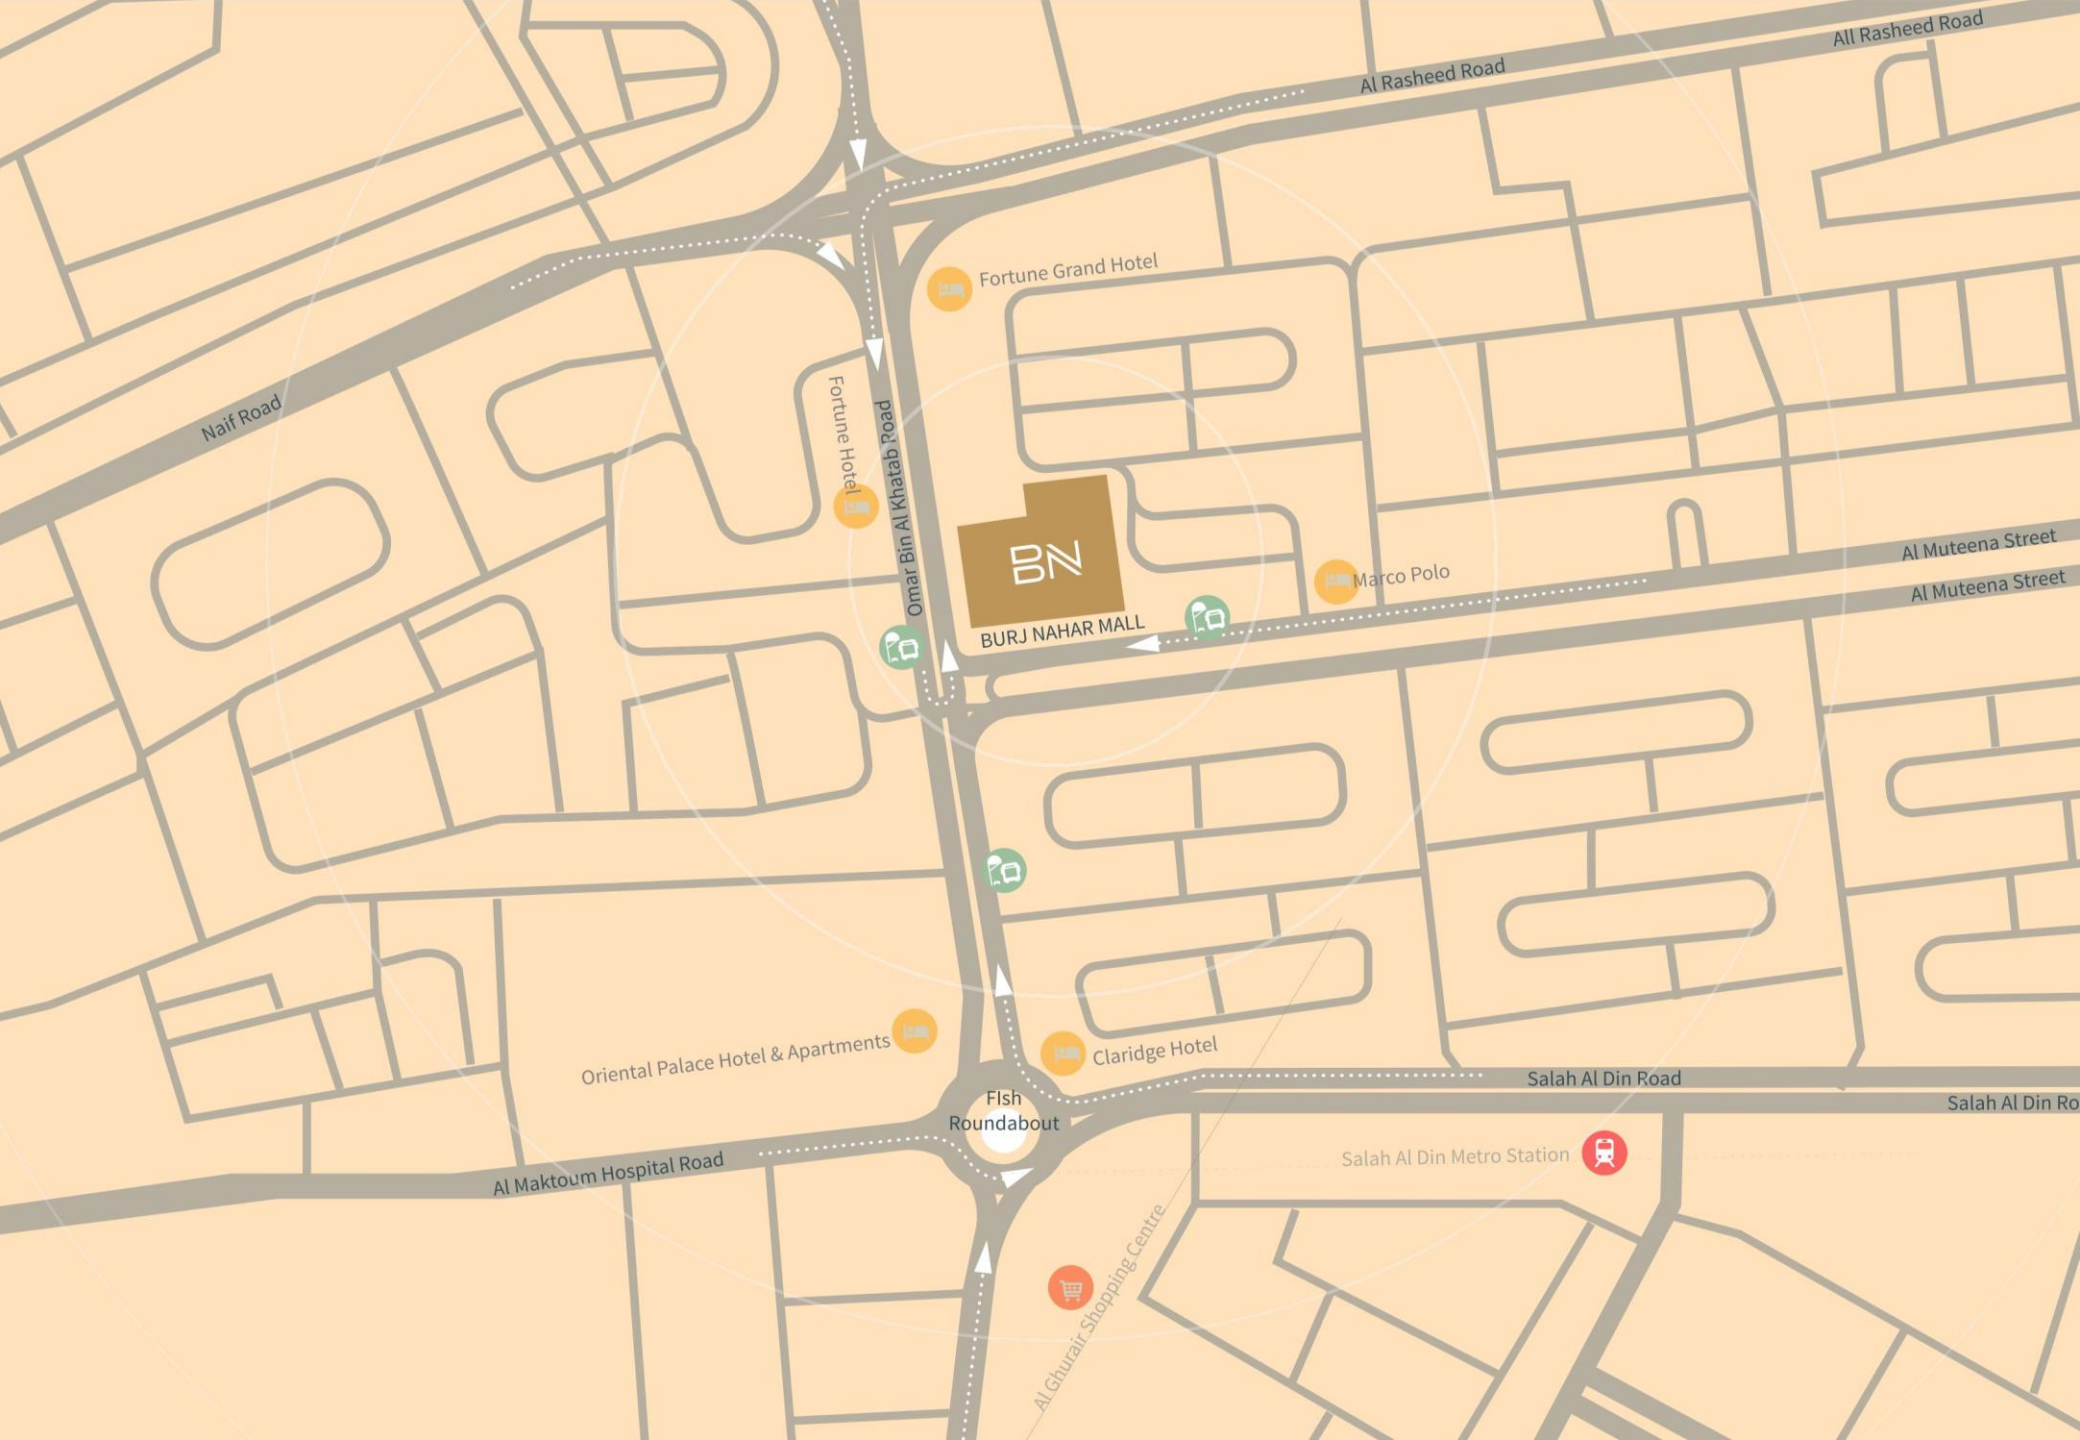

Burj Nahar Mall, a member of Juma Al Majid Holding Group and under the management of Al Majid Property Company, is a mixed-use development located centrally in the heart of Classic Dubai – Deira. The Retail Development is poised to become a mass market, outlet driven, brand oriented destination community center set to attract customers from within the heart of Old Dubai.

With 300,000 sqft of leasable space, Burj Nahar Mall is proud to announce that we are currently 72% leased, anchored by Nesto Hypermarket and Department Store, Burj Nahar Mall is poised to become a daily driver supported with a generous mix of F&B & Service options including a Gym, Family Entertainment Centre, Food Terrace Court & Government Services aiming to create a community center hub within Deira like-no-other.

Located in an area with the highest population density in the UAE, Burj Nahar Mall provides extremely high visibility and is connected through three main roads with direct pedestrian and parking access. The project features a massive internal residential catchment with one, two and three bedroom configurations.

Opening July, 2020.
